Vorbereiding:

- print de bladen uit
- lamineer de bladen
- knip de kaarten uit

Leerdoelen:

- aan de hand van een geschreven tijd (hele en halve uren en kwartieren) de wijzers kunnen tekenen op de analoge klok.

Gebruik:

De schrijfkaarten zijn eenvoudig in gebruik.

Leg de kaarten klaar voor het kind en geef er een wisbordstift bij (en eventueel een doekje). Het kind leest de tijd en tekent vervolgens de wijzers op de analoge klok.

Hierbij let het kind op het aangeven van een duidelijk verschil tussen de lange (minuten) en korte (uren) wijzers.

Een volwassene of een ander (ouder) kind kan de antwoorden nakijken en bespreken met het kind.
